Hollywood Project - Vermont Medians

Nicole,

Good Afternoon.

I just left you a vm regarding your request to meet with Cmr. James in regards to the Vermont Medians.

As mentioned, he was getting through some stacks of paperwork awaiting his response and has given me the green light to schedule.

If this is still relevant and you would like to schedule, I am happy to provide some dates/times that might work for you to come to his office at City Hall to meet.

Warm regards,

Cindie

Subject: Meeting Request- East Hollywood

Project - Vermont Medians

Importance: High

Hello Commissioners! I hope all is well! A few members of the East Hollywood BID Board and I would like to schedule a meeting with the two of you to discuss a few on-going challenges that we continue to face with moving forward on the second phase of our Vermont Median project. As you know, this project is now over 10 years in the making. We are hoping that we can see some movement on this soon, however we seem to be stuck in our communication with LA DOT on anything construction related. You both were so helpful in facilitating previous discussions, we are hoping you might be able to provide some guidance on how we can proceed with this important project.

I look forward to hearing from you on a potential meeting date over the next few weeks.

Thank you so much!
